As of June 30, 2019

# Steadyhand

## Objective

To grow your capital at a pace that significantly exceeds inflation through exposure to a collection of companies of all sizes around the world.

## Is This Fund Suitable for You?

You have a reasonable investment time horizon (over 5 years) and a moderate to high tolerance for risk. Consider this fund if you seek exposure to a portfolio of global companies with the added diversification that comes with a multi-manager approach. The fund is designed to serve as a one-stop investment solution for the equity portion of a portfolio

## Strategy

The Builders Fund is a fund-of-funds, meaning it invests in Steadyhand's four stand-alone equity funds — Steadyhand Equity Fund, Steadyhand Global Equity Fund, Steadyhand Small-Cap Equity Fund, and Steadyhand Global Small-Cap Equity Fund — in order to achieve its objective. The underlying fund mix is managed by Salman Ahmed, with Tom Bradley as co-manager, and will be a reflection of their views on market valuations.

Steadyhand Investment Management Ltd. is the manager to the Steadyhand Builders Fund. Commissions, trailing commissions, management fees and expenses may all be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution of optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

All posted returns assume an investment amount of \$10,000.
