Steadyhand Global Equity Fund

As of June 30, 2025

Objective

To grow your capital at a pace that significantly exceeds inflation through exposure to a collection of leading businesses throughout the world.

Is This Fund Suitable for You?

You have a reasonable investment time horizon (over 5 years) and a moderate to high tolerance for risk. Consider this fund if you are seeking exposure to a concentrated portfolio of companies in North America, Europe and Asia.

Geographic Profile

Global: the portfolio adviser invests in equities around the globe. Concentration is focused in the developed world — the United States, Europe and Japan in particular. The fund's geographic allocation may vary considerably based on where the best opportunities lie.

Strategy

The fund concentrates its assets in 45-55 stocks. The adviser seeks to identify high quality businesses by focusing on companies with the following attributes: attractive business fundamentals; experienced, motivated company management; pricing power; sustainable competitive advantages; financial strength; and high or consistently improving market position, and return on invested capital. The adviser then considers whether the company's stock is trading at an attractive price relative to what it believes to be fair value.

Purpose Investments Inc. is the manager of the Steadyhand Global Equity Fund. Commissions, trailing commissions, management fees and expenses may all be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution of optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

All posted returns assume an investment amount of \$10,000.
